

Description

This unit has an enhanced refrigeration system that can save on energy costs and improve efficiency. With built in international quality standards you are guaranteed a good long term investment.

The stylish design and the integrated handles give the cabinet an enhanced appearance. With the use of a quality stainless material foods can be prepared safely and hygienically.

The under counter storage maximizes valuable available space. Doors can be removed and replaced with a convenient to install drawer kit. The drawers run on Copex Italian high quality runners.

A smart cooling system provides constant air flow throughout the cabinet ensuring excellent food preservation.

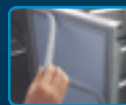

All Unifrost cabinets come with a two year piece of mind parts warranty.

Digital display for easy reading.

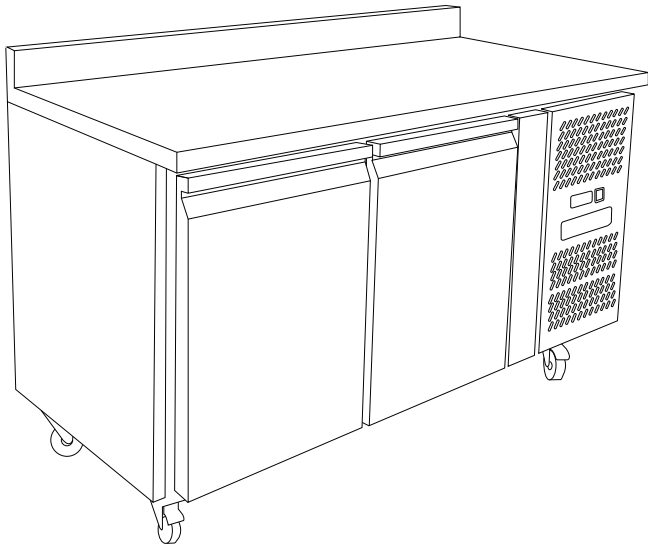

High density polyurethane insulation.

Removable door gasket can be easily cleaned or replaced.
