

Description

This large double door gastronorm cabinet accepts GN 2/1. It provides economical and safe bulk storage. A precision high density polyurethane insulation provides excellent thermal efficiency, contributing to low running costs.

The cabinet comes with mobile swivel castors, making it convenient for cleaning, banqueting and contract catering. The defrost management system has a dual device to speed up the process and reduce over freezing the evaporator.

Double door cabinets are always an attractive package because the large interior is efficiently energised in one simple plug-in unit.

All Unifrost cabinets come with a two year piece of mind parts warranty.

Digital display for easy reading.

High density polyurethane insulation.

Removable door gasket can be easily cleaned or replaced.
