

Description

Very convenient refrigerated preparation counter fridge provides simple safe storage and a useful granite worktop. The cabinet also benefits from 5 x GN 1/6 pan spaces at the rear of the working surface, making it ideal for salads, pizza, sandwiches or wraps.

The under counter storage (GN 1/1) maximizes valuable available space with two easy load doors. There is a useful overshelf for storing containers or dishes.

The storage temperature of the open-well will vary on the ambient temperature around the cabinet.
